Smith School of Business

Certificate in Business

Kingston, ON

PROFESSIONAL EXPERIENCE

Digital Communications Supervisor

Alma Mater Society (AMS)- Queen's University Student Government

July 2025 – Dec 2025

Kingston, ON

- Owned AMS digital communications strategy across website, email newsletters, and social platforms, ensuring consistent brand voice, clear messaging, and accessible student-facing content
- Planned and executed multi-channel campaigns for major AMS services, events, and elections, coordinating timelines and content calendars to deliver accurate, on-time communications
- Used platform analytics and performance insights to refine content decisions, optimize posting cadence, and improve campaign effectiveness
- Collaborated with internal teams and stakeholders to translate complex updates into concise, student-friendly messaging

Integrated Human Practices and Outreach Member

Queen's International Genetically Engineered Machine (QGEM)

March 2025 – Oct 2025

Kingston, ON

- Built education-facing resources for synthetic biology learners, contributing to a Wet Lab Handbook and online learning modules
- Delivered hands-on STEM outreach through school-facing activities and community demos, adapting materials for different learning styles
- Supported Integrated Human Practices work by helping translate the team's CF-focused project context into public-facing communication and dialogue
- Drove strategic outreach and stakeholder engagement by creating social content, coordinating podcast/video deliverables, and maintaining external relationships (including pharma-oriented contacts)

Co-founder and Medical Affairs Lead

Oppfy Inc

Sept 2023 – April 2025

Kingston, ON

- Led a team of 5 at a startup social media app to develop and execute innovative health promotion initiatives that address diverse mental health needs among post-secondary students
- Designed and implemented robust evaluation tools and tangible programming to monitor emerging wellness trends, refining donor-funded projects in close collaboration with professional and student staff

Patient Support & Scribe Intern

Washington Nephrology Association

May 2024 – Aug 2024

Annapolis, MD, USA

- Supported nephrology clinic workflow by rooming patients, gathering key history elements, and assisting with intake documentation
- Scribed provider-patient encounters in real time, producing clear, structured clinical notes (HPI, assessment/plan, orders)
- Managed EMR-based administrative tasks including updating medication lists, documenting labs/imaging references, and preparing visit materials

- Maintained strict confidentiality and professionalism when handling sensitive health information in compliance with HIPAA

Operational Compliance Intern

ibentos Canada

May 2023 – Aug 2023

Toronto, ON

- Maintained audit-ready compliance documentation (policies, SOPs, change logs, evidence trackers), improving traceability
- Coordinated cross-functional compliance reviews with product, engineering, and operations to ensure new features met internal standards
- Tested high-risk user flows against compliance requirements, documenting gaps, edge cases, and failure points
- Built Excel-based tracking dashboards to monitor findings and deliver prioritized risk-reduction recommendations

LEADERSHIP & VOLUNTEER EXPERIENCE

Co-President

Queen's Pre-Medical Society (QPMS)

May 2025 – Present

Kingston, ON

- Led recruitment, hiring, and onboarding for the executive team, setting clear role expectations and workflows
- Directed planning and delivery of academic, mentorship, and networking events to increase student access to pre-med resources

Events and Outreach Executive

Queen's Pharmaceutical Society (QPS)

2024 – 2025

Kingston, ON

- Led planning and execution of society programming, ensuring smooth logistics and strong member engagement
- Ran executive planning meetings and coordination, keeping teams aligned on timelines, task ownership, and communication

Chief Returning Officer

The Residence Society of Queen's University (ResSoc)

2023 – 2024

Kingston, ON

- Oversaw the full ResSoc election cycle (nominations, campaigning, polling, results) to ensure fairness, transparency, and bylaw compliance
- Supervised the Elections Team and enforced rules, resolving disputes and issuing rulings when concerns arose
